

TITANS LACROSSE NEWSLETTER

JUNE
2025

Hello Titans!

As the end of June approaches, so does another season of Titans lacrosse. This season has seen our Titans teams grow together, compete hard, and make lasting memories. Titans teams have travelled far and wide playing in a range of tournaments this season, while also representing the Titans with pride during the Titans Classic. This season also saw several of our athletes push themselves in making Team Alberta and Prairie Cup rosters. As the season winds down, we look back on what has been a Titans season full of growth, excitement, and lasting memories.

Letter from the President

JUNE
2025

Dear Titans Teams, Coaches and Families,

As we wrap up another incredible Titans season, I want to take a moment — from one proud community member to another — to thank each of you.

This year, our teams have shown what it truly means to be a Titan: grit, growth, and a whole lot of heart. But beyond scores and stats, it's the everyday moments that stand out — the early morning practices, the high-fives on the bench, and new friendships. These are the memories that stay with us.

Whether you were competing on the floor, coaching from the bench, or cheering from the stands — your commitment is what makes the Titans community so special.

To our athletes: we see your effort and your passion for lacrosse. To our families and fans: your support is the backbone of everything we do. And to our coaches and volunteers: none of this happens without you.

Thank you for being part of the Titans family this season. We're already looking forward to next year.

Go Titans!

Yours in lacrosse,

Karen Wellner
Sherwood Park Titans
President

Titans Social Media Email

The Titans want to showcase your season on social media! Send photos, videos, and a brief description of the content to:

socialmedia@sherwoodparktitans.ca

Your content will then be shared to the Titans Instagram and Facebook pages!

Thank you Cormack Photography!

The Titans would like to thank Carmen Parsons of Cormack Photography for her wonderful work with our Titans team pictures! Carmen can be reached at:

for all your photography needs, ranging from sports photography to graduation photos!

Treasurer Opening

The Titans are on the lookout for a Treasurer! Have experience in QuickBooks, budgeting, and financial management? We want to hear from you! Send a resume to:

president@sherwoodparktitans.ca

The successful candidate will be supported as they transition into the role by the outgoing Titans treasurer.

The Titans will be represented at the national level this season as the Titans own Brooklyn Bentley has been selected to the Canada West U17 Women's National Development team!

Brooklyn's lacrosse journey began in U7, where she first played for the Titans. Brooklyn attributes a U11 championship with the Titans as the moment she "knew lacrosse was for me".

Speaking to the growth of women's lacrosse, Brooklyn aims to be a leader and a role model in the growth of the women's game by coaching and mentoring young girls to reach their own lacrosse goals.

Brooklyn encourages young girls who are aspiring to improve their lacrosse skills to "Keep pushing, attend all the camps you can and believe in yourself. Don't be afraid to reach out to older players as their love of the sport is infectious and will help you grow.

Moving forward, Brooklyn is aiming to keep improving her skills as she aims to earn a college lacrosse roster spot, and one day, a Canadian Olympic selection.

Congratulations on your Team Canada selection Brooklyn! The Titans can't wait to see where your lacrosse journey takes you next!

Fury Girls Rock Tournament

Five of our Titans female teams made the trip to Calgary to take on the Fury Girls Rock Tournament. All our Titans teams played hard, and the tournament saw our U13W-2 and U15W-2 teams win a bronze medal, while Titans U15W-1 took a silver medal back up the QE2!

Titans Classic

Our own Titans Classic saw nearly all of our Titans teams in action over the course of three days, with games taking place across four venues, and our Titans teams competing with and alongside 62 teams and more than 1000 athletes. After the dust had settled, our U15-3 team took home a silver, while our U13A and U15A teams came out on top with gold!

Darian Mar Memorial Tournament

A number of Titans teams played in the inaugural Darian Mar Memorial Tournament, hosted by the St. Albert Rams. The weekend was notably capped off by our U13A team going home with gold! Congratulations Titans!

Prairie Cup Titans

JUNE
2025

The Titans will have a large representation at the Prairie Cup, a regional development tournament occurring from July 18th to July 20th in Brandon, MB, as a partnership between the Alberta, Saskatchewan, and Manitoba Lacrosse Associations.

U17A Home Playoff Game

Our Titans U17A team has a pivotal home playoff game coming up! The Titans will take on the St. Albert Rams in WRLL playoff action at the **Randy Rosen Arena** **on June 24th at 8:30pm.** Come on out to watch the highest level of minor lacrosse in Alberta, and support our Titans as they push for a provincial title!

Newcomers to Lacrosse

JUNE
2025

The Titans recently organized a program in partnership with OLPH school, where students new to Canada were introduced to Canada's national summer sport of lacrosse!

Students were introduced to the fundamentals of lacrosse, while also building teamwork skills, self-confidence, and a sense of community.

Participating in the sport of lacrosse further allows newcomers to Canada to engage with a deeply meaningful, powerful, and empowering aspect of Canadian culture, allowing newcomers to Canada to feel at home.

Inclusive programs like Newcomers to Lacrosse erode barriers that prevent newcomers to Canada from participating in community sport, all the while developing tools and skills that will set our youth up for success in sport and in life.

The Titans are proud to lead the way on community initiatives that create diverse and inclusive environments, while further breaking down barriers for the youth in our community to engage with Canada's national summer sport in a meaningful way.

Thank you to all of the volunteers in the lacrosse community and those at OLPH who played a role in the success of this program!

Thank you for your valuable feedback!

Stemming from the feedback we have received, the Titans have formed an Evaluation Policy Committee. Made up of members with a diverse range of lacrosse experiences, backgrounds, and perspectives from our lacrosse community, the Titans Evaluation Policy Committee has come together with the goal of developing a fair, transparent, and detailed Evaluation Policy to allow for enhanced consistency and clarity in our evaluation, coach selection, and team formation process. The Evaluation Policy will be developed by the Committee for implementation during the 2026 evaluation, team formation, and coach selection processes. The Titans greatly appreciate the time and effort our lacrosse community put into our Evaluation Survey, and recognizes the crucial role our membership plays in policy development.

The Greater Edmonton Lacrosse Council has teamed up with Respect in Sport to support a positive "safe sport" culture and improve the sport experience for everyone involved.

Respect in Sport (RIS) Certification is a mandatory requirement of the Greater Edmonton Lacrosse Council and its Member Clubs in order to register your child in lacrosse.
